

Welcome to the Francis Howell Viking Band program!

Parents and Students,

The 2023 Viking Band Commitment Night will be held Thursday, April 20th, in the Band Room from 6-8pm. This is a mandatory event and must be attended by parents in grades 9-11 (student attendance at the fall “show reveal” held at the same time is strongly encouraged). **By attending this event, and paying the down payment specified in the Family Financial Commitment (FFC) letter, the students will secure their place in our 2023 program.**

An information packet is available for download at <https://fhvikingbands.org/paperwork>. Some forms will be available to submit online, but paper forms will also be accepted. Some additional copies of forms will be available in the band room, but printouts will be limited.

Please note the following:

Students, please wear tighter fitting shorts or leggings and a t-shirt or tank top if you wish to try on a different uniform size. Uniform try-on is optional for returning students, but the uniform station must be visited so that we can log who will need new shoes ordered and who will need new marching uniform shirts.

Please bring with you to Commitment Night:

- ___ Completed Forms (Financial Commitment letter; Parent Buyout Letter; Uniform Agreement; Family Information form, online)
- ___ Down payment of \$100 (Checks payable to FHHSBB, Venmo available)
- ___ Payment for Drillmasters (marching shoes), if needed
